GREENLEAF'S CRUISE ON REAL PROP 1. GREENLEAF'S CRUISE ON REAL PROP-ERTY, 3 vols., royal Syo.; vol. I. now ready.— Cruise's Digest of the Law of Real Property, Re-vised and considerably enlarged, by Henry Hopley White, esq. Further Revised and Abridged, with Additions and Notes for the Use of American Stu-dents. By Simeon Greenleaf, LL. D. "No work which has appeared for a long time will be more valuable to students or to the profes-

will, it is admirably, done. His notes are full of learning, carefully considered, and of most commendable brevity. He like had no ambition to magnify his office. He has not encumbered his pages with a showy display of cheap learning, nor imposed upon the profession the necessity of purchasing a mass of speculative discussion, of no practical utility.

The whole work, edited throughout as the first two volumes have been, will be one of the most valuable gifts ever bestowed upon the legal profession, and will add essentially to Mr. Greenleaf's already extended reputation."—Nerth American Review.

Dr. Martin's Syrup of Wild Cherry and Sar-

THE WILD CHERRY AND SARSAPARILLA. THE WILD CHERRY AND SARSAPARILLA, which, on the basis of this preparation, have long been celebrated in Consumption and Scrofula, Diseases of the skin, Coughs, Colds, Spitting of Blood, Asthma, &c. Though this remedy has been but a short time before the public, yet it has gained perhaps more character and reputation as a curative in those diseases than any remedy of the day. The Bishop of the Protestant Episcopal church, (tic Right Rev. W. R. Whittingham.) authorized us to say he has used it in his own person with decided benefit—Dr. S. Harper, of Kent Island, has written to us, he has used it with great success in his practice [see his letter in the pamphlet.] And in a letter from a lady on the Eastern Shore of this State, she says: "I had a letter from Miss E—on Tuesday; she says mother has requested her to State, she says: "I had a letter from Miss I; on Tuesday; she says mother has requested her to say, Isabel derived almost instantaneous relief from DR. MARTIN'S SYRUP OF WILD CHERRY. Her disease was Consumption in its forming stage.

The Boonsborough Odd Fellow, of Washington county, Naryland, June 20th, 1848, says: "When an article has afforded relief to so many persons as DR. MARTIN'S COMPOUND SYRUP OF WILD DR. MARTIN'S COMPOUND SYRUP OF WILD CHERRY has done, we feel bound to make it knewn. There never was an article in this country that has afforded relief and gave more satisfaction than this. In the neighborhood of Brownaville, in this country, it has effected several important cures, and, from our own certain knowledge of it, we pronounce it unequalled for the cure of Coughs, Colds, and diseases of this kind."

5. INDEX OF CASES.—An Index of the Names of all the Cases in the three volumes of the United States Digest, and the two volumes of the Supplement, alphabotically arranged, with References for each Case to the volume and page of the Reports whence the Case is taken, and to the volume and page of the Digest where it is found; thus making an Index of Cases as well for all the Reports in the United States, as for the United States Digest. By George P. Sanger, Commellor at Law. Royal 8vo.

"We speak from personal knowledge, and after a thorough examination, when we say, that this work has been executed with the most remarkable fidelity and accuracy. To form an idea of the magnitude of the task, it may not be amiss to say that it contains between fifty and sixty thousand cases. These are alphabetically arranged, and the references are made both to the page of the Digest where it is found,"—Law Reporter.

The high reputation which "The Law Library" has acquired throughout the United States, by the character of its volumes, and by the cheap rate at which its valuable contents have been presented to the profession, is the best evidence we can make of its merits and its claims for your support. We hope, and will aim, to retain this high character.
